Mr Ray Childs  
PO Box 157  
NEERIM SOUTH VIC 3831

Dear Ray,

On behalf of AFL Victoria and its Board of Directors I wish to thank you for your personal contribution in enabling the Gippsland Power to build a facility at Morwell of unbelievable quality and value to our player pathway throughout the Gippsland region.

Your support of Peter Francis' dream to build this project is one of the best outcomes in facility development throughout Australia, and duly recognised by the AFL.

At the recent AFL State CEO's Conference, Peter's presentation on the development of the project was a major agenda item. It was recognised by all present as a great outcome for football and something to strive for in their individual States.

Peter's drive and energy for the project has been incredible, but he has also maintained his passion I am sure, because of the support and encouragement you have provided him.

Thank you also on behalf of the current young Gippsland Footballers who enjoy the facility and for the generations who will follow. It truly is a legacy you have been able to help provide.

Kind regards

A handwritten signature in blue ink, appearing to read 'Peter Schwab', with a stylized flourish at the end.

**Peter Schwab**  
CEO – AFL Victoria
